

**HUTTON**  
HOTEL

---

1808 WEST END AVE NASHVILLE TENNESSEE 37203

As we are constantly striving to provide the best product and service, it is necessary that we inform you that our property will be undergoing a multi-phased dynamic transformation during your stay with us. The anticipated project outline is below for your convenience and awareness:

Beginning **\*May 4<sup>th</sup> until late September** the creation of our curated experience venue buildout will be taking place on the 2<sup>nd</sup> and 3<sup>rd</sup> floors of the hotel. As a result, we do anticipate some noise while work is occurring. Work is scheduled from 9:00 a.m. to 5:30 p.m. Monday – Friday. At times it may be necessary for work to be conducted on Saturday. We sincerely apologize for any inconvenience this may cause and would like to thank you in advance for your kind understanding.

Beginning **\*June 12<sup>th</sup> until early August** the hotel lobby will undergo renovations to create an inspired, elegantly crafted space that will include gathering places where guests will experience a more communal atmosphere. As a result, our signature restaurant may not be available. Should this be the case we will offer a complimentary continental breakfast for all guests during this time frame. Our complimentary shuttle will be available on a first come first serve basis to transport guests to restaurants within a three mile radius.

The soft redesign of our guest rooms will begin **\*June 26<sup>th</sup> until mid-September**. This phase of the transformation should have little impact to guests on property. We look forward to having you stay in our redesigned guest rooms as early as August.

Work in all areas will be scheduled from 9:00 a.m. to 5:30 p.m. Monday – Friday. At times it may be necessary for work to be conducted on Saturday.

*\*Please note, the above dates are subject to change or be modified and will continue to keep you informed as our renovations progress.*

We are very excited for this transformation and look forward to the unveiling this fall. During our transformation period, we apologize for any inconvenience this may cause and offer our sincere thanks for your patience and support while we make improvements to our property.
