HUTTON HOTEL ANNOUNCES HOTEL RENOVATIONS TO BEGIN SUMMER 2017

NASHVILLE, Tenn. — (April 6, 2017) – [Hutton Hotel](#) announced today that the premier lifestyle hotel will begin a multi-phased dynamic renovation beginning June 2017 with a targeted completion in late third quarter of 2017. The transformation will involve the signature restaurant, guest rooms, suites, and lobby, as well as the creation of an organically curated experience venue.

The designer is [Studio 11 Design](#), with Nashville’s [Tuck Hinton Architects](#) overseeing the project.

Setting the standard since 2009, Nashville’s only *Forbes Four Star, Four Diamond* property, Hutton Hotel is consistently featured on the *Condé Nast Traveler* Hot List, *Travel + Leisure’s* T+L 500, and has most recently garnered acclaim from *USA Today* as one of the nation’s top pet-friendly destinations. Effortlessly blending cozy ambiance with accessible luxury, this Nashville destination remains the go-to for both A-listers and in-the-know locals.

“Hutton Hotel has been a touchstone and often referenced player of the growth and change in Nashville as the city continues to develop and shift, the Hutton will too,” said **General Manager Jonathan Bartlett**.

Guest rooms will be re-designed to provide guests with a curated experience; appropriate for the time and location. Featuring a palette of grays, bright blues, and pops of color in unexpected places, the rooms will be a home for people who want to inspire and be inspired.

Guestrooms will feature new fabrics, bedding, and furniture, cozy over-stuffed headboards and seating along with modern multi-patterned wall coverings, and draperies with lush textures. These updates will create a sense of comfort with understated irreverence, much like Nashville, and our guest’s expectations for an authentic experience.

The hotel’s lobby will feature elegantly crafted spaces that buzz with inspiration, including welcoming gathering places where guests will experience a more communal atmosphere. Hutton Hotel was the original lifestyle hotel in Nashville. The update to the hotel will only enhance our guests’ access to a genuine Nashville experience.

The hotel’s restaurant will further complement Hutton’s atmosphere and Nashville’s upward restaurant scene. The renovation will feature an expanded bar area that reaches out and engages the lobby, and bold accents woven into sleek and sexy furnishings.

“We’re excited to be renewing Nashville’s definition of a lifestyle hotel, but we are also enhancing our already beloved restaurant. Our sights are set on incorporating like-minded local vendors, farms, and distilleries. With this new concept, design, and the community-based partnerships, our signature restaurant will not only change with the times but make them,” said **General Manager Jonathan Bartlett**.
