With a plethora of coffee options popping up in Nashville, it is rare that we find one that surprises us. Anchoring Nashville's West End neighborhood and fueling the power players and artists alike, the [WestEnd Coffee Bar](#) ranks among our current favorites, just a stone's throw from Music Row.

With a plethora of coffee options popping up in Nashville, it is rare that we find one that surprises us. Anchoring Nashville's West End neighborhood and fueling the power players and artists alike, the [WestEnd Coffee Bar](#) ranks among our current favorites, just a stone's throw from Music Row.

At Hutton Hotel's WestEnd Coffee Bar, visitors and city-dwellers alike can charge their creativity with a healthy dose of caffeine in an inspiring environment alive with the buzz of Music City. From 6:30 a.m. to 5:00 p.m. each day, WestEnd Coffee Bar serves up a taste of New York, brewing Brooklyn's [Parlor Coffee](#) alongside hand-made pastries from Franklin's [Triple Crown Bakery](#) and Nashville's [Crimson Witch Patisserie](#). Recline in an unpretentious atmosphere and catch your breath or make the space your new remote "office" with complimentary wifi. It's an easy space to settle in with sumptuous surroundings and like-minded creatives in the beating heart of this compelling city.

And after a hard day's work. . . slide on in to happy hour at WestEnd Bar each weekday evening from 4:00 to 6:00 p.m. with \$3 off signature cocktails such as the Creamside Oolong cocktail and \$2 selected draft beers. In addition, specials beginning at \$5 can be enjoyed on the bar menu. Favorites include the Crab Deviled Eggs, Smoked Turkey Sliders, and 1808 Burger Sliders.

So what are you waiting for? Why just let Nashville visitors experience the hospitality of our city's great hotels? Drop in for coffee or cocktails. You won't regret it.
